94. LOGNOTE - Executive and Planning Staff, 23 July 1980

[ ] I visited [ ] in OGC today and showed him [ ]  
draft of the Memorandum of Understanding regarding payments to BBC  
for the Islamabad facilities and personnel in London. [ ] said it  
was fine and authorized us to have it signed. [ ] said we could  
probably avoid the Memorandum's being reported to Congress as an inter-  
national agreement pursuant to the Case/Zablocki Act by having OGC  
"rejigger" it so that it would not appear to be an agreement. I said  
I did not think that would be the case but that I would check and get  
back to him if I was wrong. As soon as the Memorandum is signed, we  
must send a copy to [ ] for forwarding to the State Department  
Legal Advisor, where a final determination on its reportability to  
Congress will be made.
